Dedication

To you, because you have worked that
we might have the things you would
have liked but didn't get;

Because you have done your best
to shield us from hardships in life
that you have met;

Because you have been a friend to us--
kind and true--we dedicate this
book, dear parents, to you.

It has been a pleasure to see the Vernon High School grow and expand into an institution of which we can be proud. I am happy to have had a small part in its development. I will always work to promote its continued growth so that the boys and girls who pass through her portals will be best prepared to take their place as citizens of a democratic country and meet the challenges of life, whatever they may be. My love for Vernon High School will continue on and on, because she is my alma mater too.

Sincerely,

Wilson Roberts

Something new was added in the history of Vernon High School this year: The selection of a Homecoming Queen by the football team. After notes were compared and signals given, they all got in a huddle and came out with the decision. So the queen and her attendants were off to Bonifay where they participated in a parade and Homecoming ceremonies after the Vernon-Bonifay game. Next they journeyed over to Graceville for more ceremonies and a grand finale.

Vernon's football team this year did not have a very good record from the standpoint of games won and lost. However, when you look at the things accomplished, that is a different story! Each game saw continued improvement in team and individual play. In most games we were outclassed in experience as well as manpower. We are looking forward to next year with more experience and an increased interest among the students for the game itself.

Besides, to quote one of the most popular sports sayings: "It's not whether you won or lost, but how you played the game."

What have we here?? An exclusive rendezvous after the big game????

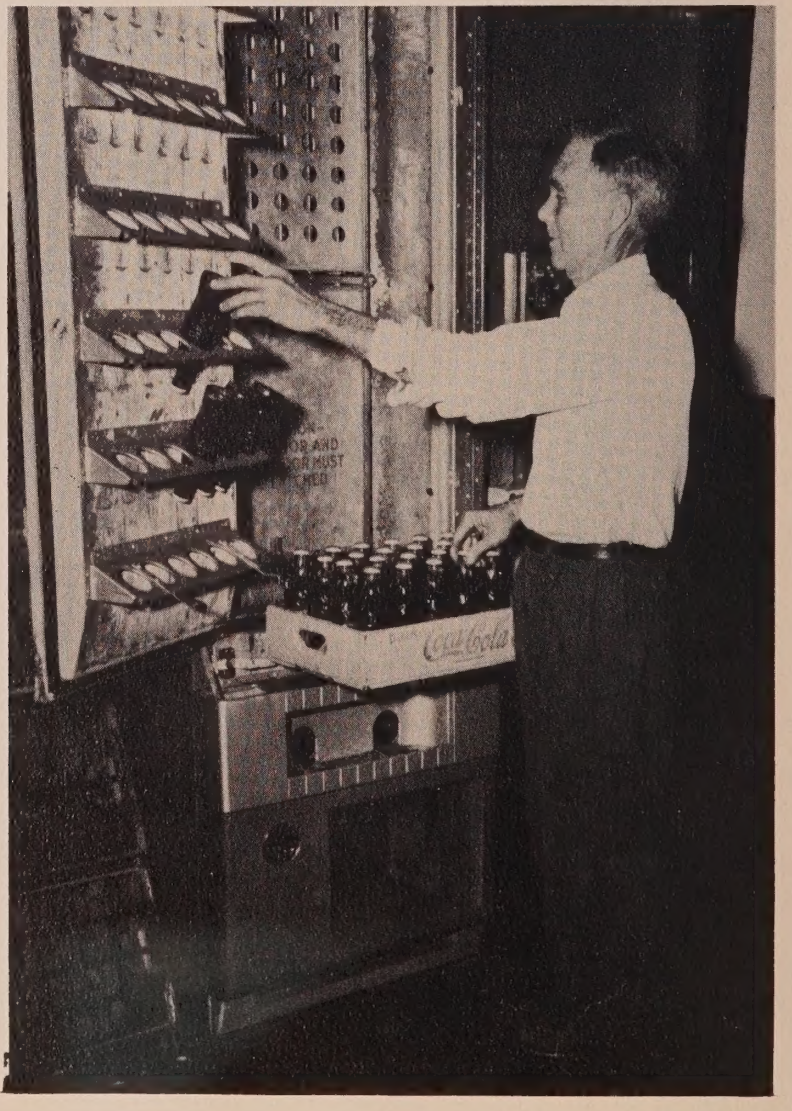
Our lunchroom is staffed by Mrs. Dee Roche, Mrs. Ruth May, and Mrs. Marie Jeffries (not pictured.)

Everything they cook, from spinach to turkey dressing, is good to us!



Mr. John Yohn, our janitor, really stays on the job--keeping our house clean and warm, and doing a few other things!
